Home electrical distribution boxes

Overview

Electrical Distribution Box/Cabinet Manufacturer | Custom Power FUKEN supplies high-quality electrical distribution boxes and cabinet for power distributio.

Key Takeaways

You can source high-quality home electrical distribution boxes directly from manufacturers offering customizable, durable, and IP-rated enclosures. Key Manufacturers and Options1.

SELHOT SELHO

T specializes in waterproof electrical enclosures including distribution and junction boxes suitable for residential, industrial, and smart home applications. Their boxes are made from thick ABS material with PC transparent covers, offering IP65/IP66 waterproofing, dustproofing, and UV resistance. They provide OEM/ODM services, including laser marking, precision hole drilling, color matching, and mold development.

Shipping is fast, with samples available in 3–5 days and bulk orders within 15 days. Their products are ISO9001, CE, RoHS, and TUV certified. 2.

XUCKY XUCK

Y manufactures PZ30 electrical distribution boxes for residential use, including MCB and circuit breaker boxes. They offer customizable designs based on customer drawings, with options for internal brands like CHINT or DELIXI. The boxes are made from high-strength, corrosion-resistant plastic, suitable for modular AC 50Hz circuits with rated voltages of 220V or 380V.

Installation can be concealed or surface-mounted, and the manufacturer provides guidance for environmental conditions and supply voltage tolerances. 3.

VIOX Electric VIO

X provides stainless steel distribution boxes in grades 201, 304, and 316, ideal for indoor and harsh outdoor environments. Their enclosures feature quick-access panels, modular components, and flame-retardant materials, ensuring safety and durability.

I

P ratings are high, protecting against dust, water, and environmental hazards. These boxes are suitable for residential, commercial, and industrial applications. 4.

EWJ EW

J offers custom metal enclosures, including aluminum and stainless steel distribution boxes with IP65 outdoor solutions. They support full OEM customization from prototype to mass production, accepting PDF, DWG, or STEP files. Their products comply with CE, ISO9001, and RoHS standards, ensuring quality and safety for global markets.

5. MARECHAL® and SZOMK For modular and low-voltage applications, MARECHAL® and SZOMK provide plastic and metal enclosures with DIN rail mounting, clip-together assembly, and easy access for fiber or electrical connections. These are suitable for home automation, sensor housing, and small-scale distribution systems.

Considerations When Choosing a ManufacturerMaterial: ABS/PC for lightweight, waterproof boxes; stainless steel for corrosion resistance.

I

P Rating: IP65/IP66 for outdoor or moisture-prone areas. Customization: OEM/ODM services for size, color, and internal layout. Delivery: Check sample and bulk order lead times.

Compliance: Ensure CE, RoHS, ISO9001 certifications for safety and quality. By selecting a manufacturer like SELHOT, XUCKY, VIOX, or EWJ, you can obtain durable, customizable home electrical distribution boxes directly from the factory, ensuring both quality and cost-effectiveness.
